

Master of International Business

Darla Moore School of Business

DOUBLE-DEGREE PROGRAM

UNIVERSITY OF MANNHEIM | MANNHEIM, GERMANY

What is the Master of International Business Double-Degree program?

The MIB Double-Degree program is a two-year immersion program enabling you to earn two master's degrees from two world-renowned universities in two different countries, giving you a new perspective on how the world works.

You earn a Master of International Business degree at the Darla Moore School of Business — the nation's leading institution for international business education — followed by a Mannheim Master of Science degree in Management at the University of Mannheim, the best business school in Germany and one of the best in the world according to Financial Times. Both programs combine cutting-edge management skills with a deep understanding of the worldwide marketplace—providing you with everything you need to master a world in motion.

Why is it valuable to participate in this program?

The MIB degree is a direct path to a career in international business — a second degree from one of our partners accelerates this process. Both degrees provide you with:

- Real-world experience and credentials to demonstrate your ability to succeed in the global economy
- Access to a global network of peers
- Educational immersion at top-ranked international universities

Why choose the Mannheim Double-Degree program?

The University of Mannheim's Master of Management program features a curriculum grounded in both management and analytics, combined with the ability to specialize in a functional business area such as operations management, marketing, information systems, or taxation and accountancy. If you're interested in working in an international setting within the fields of supply chain management, banking and finance, or data analytics, you're especially well-suited for the program. As a recognized leader in social and economic sciences, Mannheim provides you with an excellent analytic grounding to prepare you for the technological and innovative challenges of tomorrow.

Courses offered at Mannheim include:

- Decision Analysis
- Corporate Social Responsibility
- Applied Econometrics
- Information Systems
- Operations Management
- Business Economics
- and many others

Career connections and employment outlook

The Moore School's Office of Career Management prepares you for a successful job search by developing and delivering value-added training focused on career exploration and targeted job placement. As an MIB student, you'll be trained in a wealth of skills to launch your international career, including resume development, interviewing, building a personal brand and professional networking opportunities.

Furthermore, each of our partner schools have extensive career centers to support you in your chosen career through international internships, international career fairs, personalized career advice and one-on-one career coaching. Through this incredibly strong combination, recent graduates of the MIB have found placement at companies such as IBM, PricewaterhouseCoopers, Dell, Capgemini, Ernst and Young, Bank of America and many other leading international corporations.
