What is the Master of International Business Double-Degree program?

The MIB Double-Degree program is a two-year immersion program enabling you to earn two master's degrees from two world-renowned universities in two different countries, giving you a new perspective on how the world works.

You earn a Master of International Business degree at the Darla Moore School of Business — the nation's leading institution for international business education — followed by a Master of International Business at Shanghai Jiao Tong University, one of the top business schools in China with a research-oriented approach to business education and a dedicated focus on promoting internationalization.

Why is it valuable to participate in this program?
